### **PROFIT WARNING**

This announcement is made by China Environmental Technology and Bioenergy Holdings Limited (the “Company”, and together with its subsidiaries, the “Group”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “Board”) wishes to inform the shareholders of the Company and potential investors that, based on the information currently available to the Board, the Group is expected to record a significant increase in loss for the year ended 31 December 2018 as compared to the loss of approximately RMB40.6 million recorded for the year ended 31 December 2017. The Board considers that such increase in loss was mainly attributable to the following reasons:

1. The United States imposed a 10% tariff on China’s 5,745 types of imported goods with total value of US\$200 billion, effective from 24 September 2018, resulting in the drop of profit margin of the wooden products exported to the United States by the Group;
2. Trade dispute between China and the United States will have negative effect on the profit margin of Group in the future. Accordingly, the Group has to recognise an impairment of asset for its production facilities.

As the Company is still in the process of finalising the annual results for the year ended 31 December 2018, the information contained in this announcement is only based on the preliminary assessment by the management of the Company with reference to the unaudited management accounts of the Company and the information currently available and is not based on any financial figures and/or information which have been audited, verified or reviewed by the Company's auditors or audit committee. It is expected that the annual results announcement of the Company for the year ended 31 December 2018 will be published by the Company in March 2019.

Shareholders of the Company and potential investors should exercise caution when dealing in the shares of the Company.
